RJS #:	3013508	Assigned to:	DMD/MJB
Status:	Active	Budget Years Impacted:	2019-2020/2021
Address:	4248 Highway 105, Glendale, NS B0E 3L0	Review:	2020-05-19
		COW:	2020-05-21
		Council:	2020-06-04

Project Description:

The Father John Angus Rankin Cultural Centre needs to have the twelve (12) dormer windows and the main floor, six (6) windows and doors repaired and painted as well as a railing for the back step and repairs to the fire exit undertaken. This building was used as the comfort station last September during Hurricane Dorian and the community is willing to continue offering the same services if required. The building generally hosts bi-weekly ceilidhs from June to October as well as various programming offerings for children and adults.

Summary of Discussion:

District #6 had \$5,195.00 remaining in the CDC Budget at the end of the 2019 fiscal year. For this remaining \$5,195.00 to not be lost, at year end it was deferred to the Regional Grant account. Council is to consider funding the project at this time with the remaining \$5,195.00 District #6 funding now in the Regional Grant account and the remaining \$2,305.00 to come from the 2020-2021 District #6 CDC budget (yet to be determined). Contribution amounts and Municipal funding avenues are to be confirmed by council. The authority to approve, deny or modify lies with municipal council.

Initiative Budget Overview

Total Project Cost: \$14,000.00

MOCI Contribution: \$7,500.00
