

Municipality of Inverness County Create Water Utility Account

Please complete this form to open a water utility account with the Municipality of Inverness County. If you require assistance with the application process, please email info@invernesscounty.ca or call 1-866-258-0223.

If you are looking to request a water meter installation, water/wastewater connection or disconnection, please complete the following [Application for Water and Wastewater Services Form](#).

Name of Property Owner *

Applicant's Name (if different than above) *

Civic Address *

Mailing Address *

Email *

Telephone Number *

Water Service Size *

Any Additional Information

The Municipality of Inverness County charges a one-time fee of \$50 to create a water utility account.

The owner agrees to abide by the [Schedule of Rates](#) and Regulations approved by the Nova Scotia Energy & Regulatory Board (formerly knowns as Nova Scotia Utility & Review Board).

The owner further agrees to accept service as may be rendered and hold the Inverness County Water Utility free from any action from damages which may result due to lack of or inability to supply water at any time.

The owner understands that the water will be turned on by the water utility when:

- notification is received via the [Application for Water and Wastewater Services Form](#).
- lateral is connected
- meter is installed
- residence is isolated from any other water source.

If you have any questions, please email info@invernesscounty.ca or call **1-866-258-0233**.

If not submitted online, this form can be mailed or delivered to:
