Saturday: 7:00 a.m. – Noon
Sundays and Holidays: Closed

Free Programs

All Municipality of Inverness County residents can drop off the following materials for safe disposal, free of charge.

Paint/Stains and Empty Cans

Drop off location: Kenloch Waste Management Facility

Paint must be in its original container, tightly sealed, with readable labels. Empty paint cans are accepted, no lid required. Household and aerosol paints and stains are accepted year-round.

For a full list of accepted materials and guidelines, visit:
www.productcare.org/products/paint/nova-scotia

Motor Oils/Filters and Aerosols

Drop off location: Kenloch Waste Management Facility

Includes oils, filters, plastic containers (anti-freeze and oil bottles, etc.), aerosol containers (WD-40, brake cleaners, etc.)

For full details, visit:
<https://uoma-atlantic.com/ns/>

Cooking Oil (Fats, Oils, Grease)

Drop off location: Kenloch Waste Management Facility

Includes cooking oils (vegetable, canola, etc.), food grease (bacon fat, chicken, sausages, etc.), butter, margarine, shortening, salad dressing, gravy, mayonnaise, batters, nut butters (peanut, almond, cashew, etc.) and heavy cream. Materials must be sealed in a container for drop off.

For full details, visit the FOG section:
<https://invernesscounty.ca/services/infraemerg/>

Tires

Drop off location: Kenloch Waste Management Facility

While tire retailers accept used tires for safe disposal, residents may also bring them to Kenloch Waste Management Facility at no charge. Car, truck, motorcycle, camper, and trailer tires are accepted. Tires must be off rims and no larger than 24.5 inches.

For more information and a list of tire retailers in Nova Scotia, visit:
<https://divertns.ca/used-passenger-tires>

Bulky Garbage

Drop off location: Kenloch Waste Management Facility

Each spring, the Municipality organizes a bulky garbage collection; however residents may bring the following bulky garbage items to Kenloch Waste Management Facility year-round, for free. Eligible items include appliances such as stoves, fridges, and dishwashers – as well as large furniture such as couches, tables, and mattresses.

Batteries

Drop off location: Strathlorne Municipal Recycling Facility

Batteries should never be placed in garbage or recycling, as improper disposal of batteries is dangerous and may cause property damage or serious injury.

For more information, visit:
www.recycleyourbatteries.ca

Electronics

Drop off location: Strathlorne Municipal Recycling Facility

Includes TVs, phones, computers, time and weight measurement devices, electronic cleaning appliances, countertop appliances, and audio/video equipment.

For full program details, visit:
www.recyclemyelectronics.ca

Lights

Drop off location: Strathlorne Municipal Recycling Facility

Includes fluorescent tubes, compact fluorescent lights (CFLs), high-intensity discharge lights (HIDs), incandescent lights, halogen lights, and light emitting diodes (LEDS).

Ballasts, light fixtures, and string lights (Christmas lights) are not accepted and should be taken to the Kenloch Waste Management Facility.

For full details, visit:
productcare.org/products/lights/nova-scotia/

Subject to Tipping Fees

(charge for accepting waste)

Construction & Demolition Waste

Drop off location: Kenloch Waste Management Facility

Includes materials such as lumber, drywall, asphalt shingles, concrete, metal, insulation, flooring, windows, doors, and cabinetry.

Leaf and Yard Waste

Drop off location: Kenloch Waste Management Facility

Includes grass clippings, leaves, plant and garden waste, brush and hedge trimmings, tree branches with a diameter of 5cm or less.

For more information about tipping fees, please visit:
<https://invernesscounty.ca/services/sortitout/inverness-county-solid-waste-program-highlights/>
