- ✓ 24 Speed

Rental Fee: \$5 per day or \$25 per week.

THE “RIG”

The “Rig” is an offroad electric vehicle, similar to an e-bike, designed to support individuals with mobility challenges in accessing outdoor activities and community spaces. Built for stability and durability, it allows users to safely navigate varied terrain while promoting inclusion and participation in recreation.

This full electric, super quiet, accessible bike can go up to 15km/h with a range of about 50 kilometres. Recommended for riders between 4.5–6’ tall, with a 225lb weight limit.

- ✓ Adjustable Seat and Handlebars
- ✓ Two Batteries included

Free to borrow.

VARNA II

HANDCYCLE

The Varna II Handcycle is an adaptive cycling device designed to provide individuals with lower-body mobility limitations the opportunity to enjoy outdoor cycling. Powered by an ergonomic hand-pedaling system, this cycle offers stability, comfort, and performance on paved trails and smooth surfaces. It promotes independence, physical activity, and inclusive recreation within our community.

The Varna II is highly manoeuvrable, giving it a great advantage in crowded conditions. This handcycle is adjustable for individuals 4'5" to 6'5" in height and weights of up to 250lbs.

- ✓ Adjustable Arm Length and Footrests
- ✓ All-terrain wheels

Free to borrow.

HIPPOCAMPE BEACH & TRAIL CHAIR

The Hippocampe Chair is an all-terrain, accessible mobility chair for users with reduced mobility, designed to provide greater access to beaches, trails, and outdoor spaces. Its large balloon wheels allow for smooth movement over sand, snow, gravel, and uneven terrain, helping individuals experience the outdoors with comfort and stability.

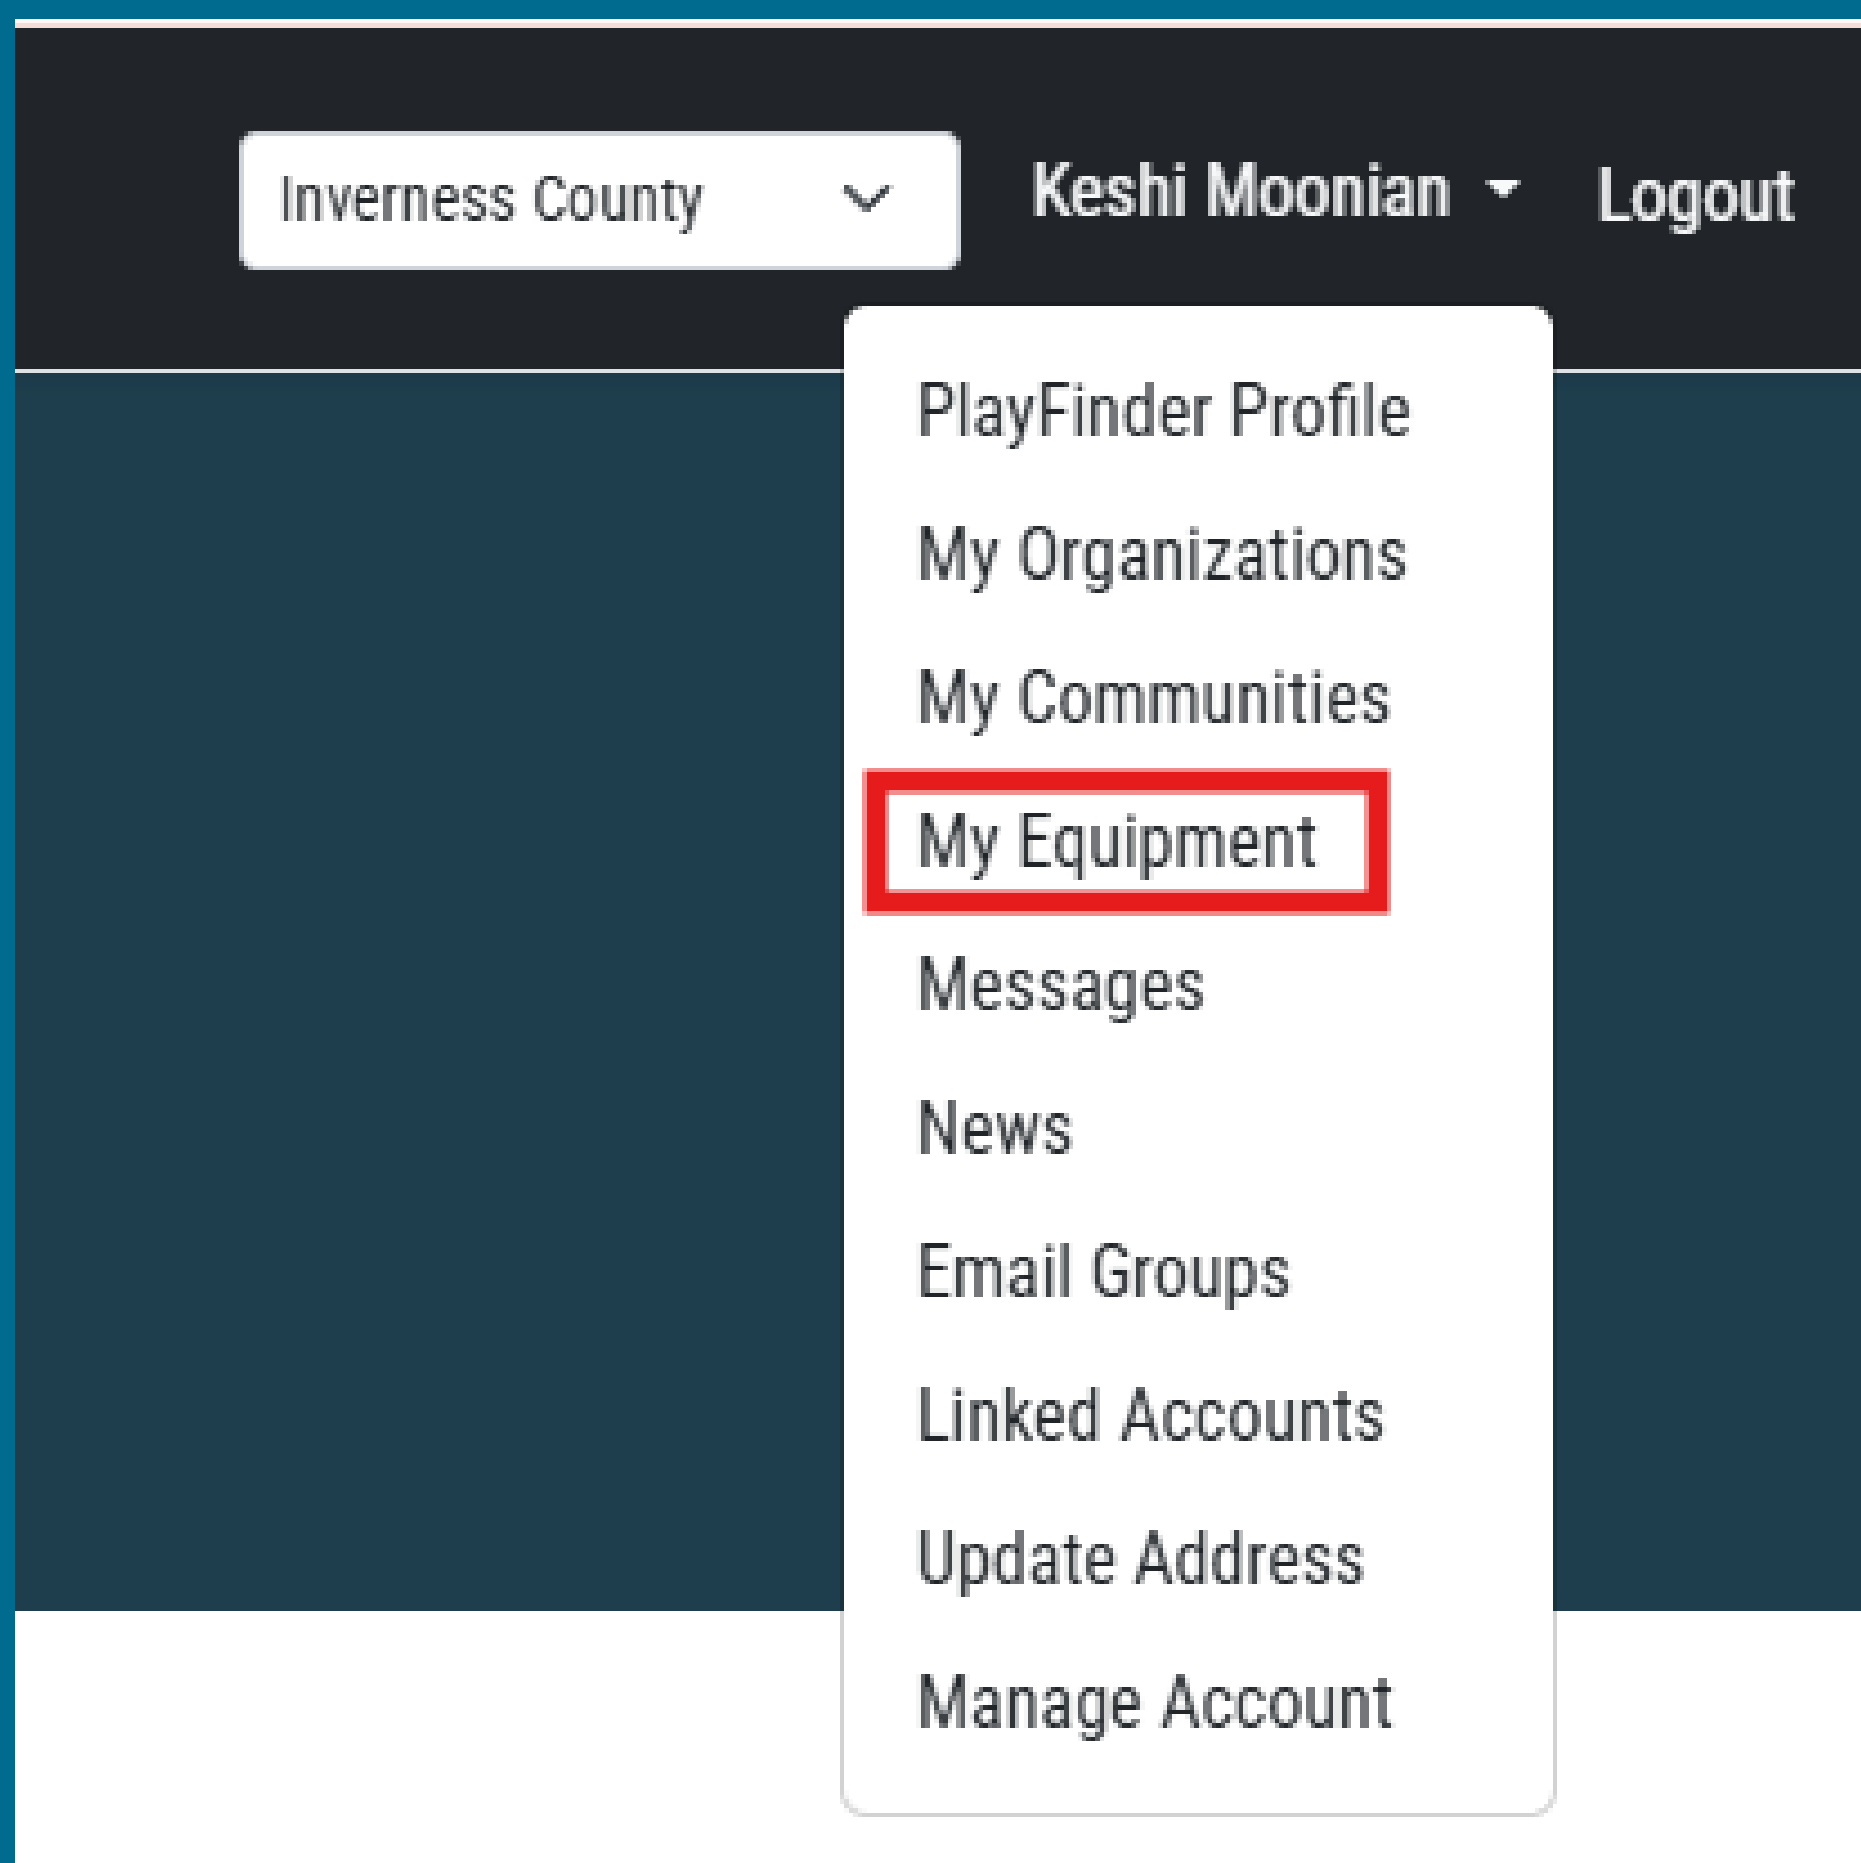

The chair can be self-propelled or assisted by a companion.

- ✓ Adaptable for sand and snow use
- ✓ All-terrain pathways

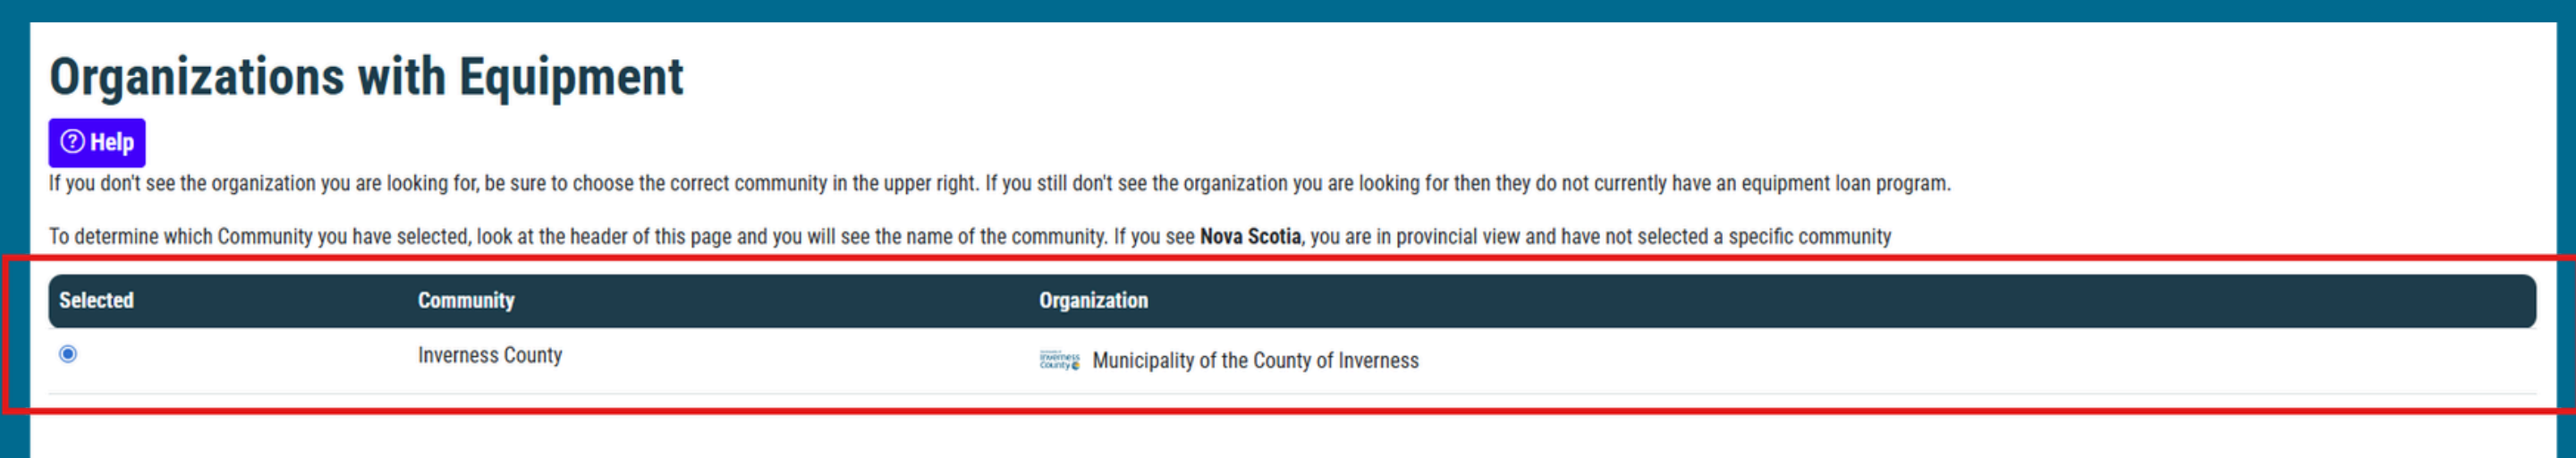

Free to borrow.
